

MAURICIO APABLAZA

La Huerta 8105, Vitacura, Chile. Postcode: 7640259. Tel: +56 9 33024783. Email: mapablaza@gmail.com

Mauricio Apablaza is director of research at the School of Government at the Universidad del Desarrollo, Chile, research associate of the Oxford Poverty and Human Development Initiative (OPHI) at Oxford University and Visiting Fellow at the International Inequalities Institute at London School of Economics and Political Science (LSE). Mauricio is also the director of the programme Conocimiento e Investigación en Personas Mayores (CIPEM) and president of the Chilean Commission for Quality of Employment and former member of the Chilean commission of experts on informal labour.

Previously, he worked as Research Officer and Outreach Coordinator at OPHI, at the University of Oxford. Mauricio has been regional director for civil society organizations and consultant to international businesses and agencies (MEDSTAT/OECD, UNDP, SADC, WORLD BANK). He supported national teams in the construction of multidimensional poverty measures and led training programmes in South Africa, Malaysia, Indonesia, Jordan, Egypt, Hungary, Brazil, Chile, the Netherlands, Barbados, US, Vietnam, Nicaragua, and Thailand, among others.

He has published articles in PLOS ONE, World Development, Journal of Ethnic and Migration Studies, the Review of Income and Wealth, among others. He teaches applied microeconomics and quantitative methods (STATA & R) at the undergraduate and graduate level (Masters and PhD) at Universidad del Desarrollo. Mauricio holds a PhD in Economics from the University of Nottingham and a postdoc at the University of Oxford. His research areas and publications focus on inequality, poverty, multidimensionality, and wellbeing dynamics.
